# DEDICATION

WE, THE SENIOR CLASS OF 1935, DO DEDICATE THIS, OUR GUSHER, TO THE FOOTBALL TEAM, THE COACHING STAFF, AND THE CHEER LEADERS, WHO HAVE, THROUGH THEIR LOYALTY, TEAMWORK AND SPORTSMANSHIP, MADE OUR TEAM THE BEST IN THE STATE OF LOUISIANA. THEY HAVE GIVEN BYRD HIGH SCHOOL A MEMORY TO BE PROUD OF. IN APPRECIATION WE NOW DEDICATE OUR YEARBOOK TO THEM, AS A FITTING CLIMAX TO A SPECTACULAR CAREER. MAY THEY DO AS WELL FOR THEMSELVES IN THE FUTURE AS THEY HAVE FOR THEIR SCHOOL.

# FOREWORD

AS THE SCHOLASTIC YEAR OF 1935  
DRAWS TO ITS CLOSE WE FIND OUR-  
SELVES ATTAINING A GOAL AND  
SUDDENLY LEAVING BEHIND US  
FOUR YEARS WHICH BECOME A LINK  
IN A PRICELESS CHAIN OF TRADI-  
TION WHICH FORMS THE INSTI-  
TUTE'S PAST. AS, IN RETROSPECT,  
WE LOOK BACK OVER THESE FOUR  
YEARS WE FIND THEM TO HAVE BE-  
COME A VERY VITAL PART OF US.  
AND TO THAT END WE PASS IN RE-  
VIEW THESE BITS FROM OUR MEM-  
ORY OF THEM, A SMILE HERE AND  
THERE WHICH BRIGHTENED OUR  
LIVES DURING THOSE TIMES. OUR  
AIM POINTS TOWARD THE ILLUMIN-  
ATION OF A SPLENDID FEELING, ONE  
OF OUR TENDEREST MEMORIES—  
THAT OF OUR FELLOW CLASSMATES.

## GUSHER THEATER

Mr. Bennett is again the very efficient and inspiring leader in this, the second year of the Gusher Theater. It has scaled heights of success even beyond our greatest expectations this season. The three plays produced were, "Cyclone Sally," "Steppin' Mother," and "Introducin' Susan." Between acts, in each of these plays, a most entertaining floor show was presented to the audience. This organization has contributed much to the entertainment and school spirit at Byrd Hi.

## BYRD'S ROYALTY

Tense! Thrilling! And hectic!

That describes the eventful week of campaigning that finally ended in that gay affair, the Mardi Gras Ball, held at the Broadmoor Pavillion on Tuesday evening, March 5.

The approach of the royal party was announced promptly at nine o'clock by the trumpets of Charles Peters and Alvin Myers.

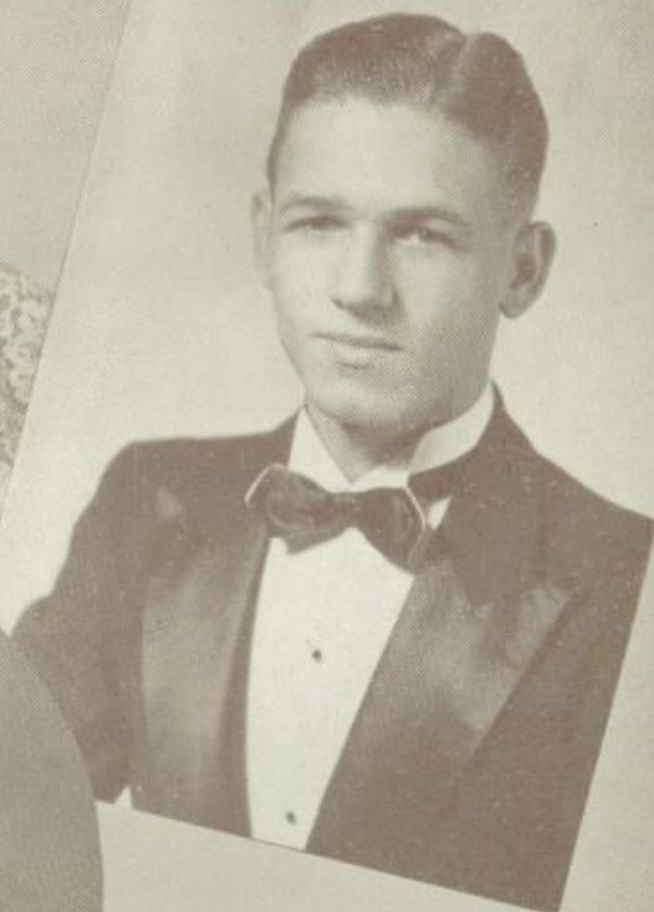

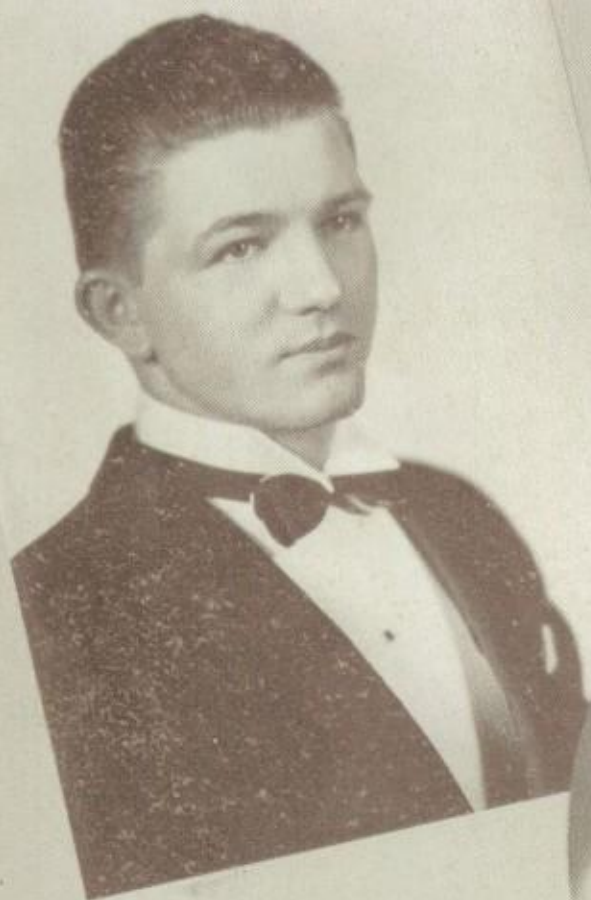

First to enter were the ribbon bearers, Francile Anderson and Betty Redding, carrying the pink and blue and escorted by Chris O'Brien and Pitman Hesterly. Following were the group of crown bearers, flower girls, and pages represented by Jack Tullos, Jr., Mary Lou Shaffer, Mary Clair Peyton, Billy Slattery, and "Coots" Shaffer.

The princesses, Marguerite Anderson and Paula Howard, lovely in blue and shell pink lace, entered next with their handsome escorts, Roy Robertson and Moulton Storey. A cloud of yellow chiffon announced the arrival of the vivacious maid of honor, Betty Killgore with her knight, Ashford Wilcox.

There was a slight pause . . . and then the Queen, Mary Byrd Redding, gowned in shimmering white satin, made her appearance, and was majestically accompanied to the throne by her chosen king, Bill Eanes. She was then crowned Queen of the Mardi Gras and this was the true beginning of the festivity.

The evening was spent in dancing and making merry, and everyone will remember this Mardi Gras as "the best ever!"

MRS. R. E. ANDERSON

Mrs. Anderson is the very efficient and gracious Byrd Hi P. T. A president, or, better known to the student body as the "School Mother."

Carrying out a program begun last year the P. T. A. has put on three very worth while programs in the school.

The first was a citizenship project carried out thro' the civics department, five students being elected by the student body to fill the five offices of "City Fathers," the four commissioners and the Mayor. The election was carried on in the form of a regular city election.

The second was a "Student Conference." Representatives were selected from all home rooms and sent to the conference where they heard marvelous lectures that were meant to carry out the high ideals the P. T. A. has for this body of young people.

The third was a "Safety" project carried out through the civics and history departments and proved to be so worth while that even the grown ups might have profited by it.

This organization has grown in the last few years from a small handful to more than 30% of the families represented in the school and with the teachers 100%.

This year their aim has been "A better understanding between the Parents, the Teachers and the Students."

The Hi-Life had a successful year in 1934-35 and will have many more to come. In the Hi-Life is mirrored the center of all school activities and of every phase of school life. The purpose of this paper is to stimulate keener interest in journalism and to teach better management to the students which compose its staff. Published semi-monthly, the Hi-Life is recognized by both state and national journalistic societies, being a charter member of the Fourth Estate Press Association, a member of Quill and Scroll, and of Pi, a Louisiana Newspaper Organization.

This year there were published fourteen issues, three of which, the Thanksgiving, Christmas, and Low-Life, were special editions and attracted special attention from the student body.

The Hi-Life staff wishes to take this opportunity to thank its sponsor, Mr. T. Raymond Sage, for his willingness, faithfulness, and loyalty toward this, our Byrd High School paper.

Each play presented by the Thespians this year, under the direction of Miss Pearl Pryor, was acclaimed enthusiastically by an interested student body. Each was a marked success and the Thespians deserve praise for their untiring efforts.

The Club commenced brilliantly with "Spooky Tavern," a mystery-comedy of three acts which thrilled its audiences. There were two distinct casts, both of which showed real talent in their performances. "Spooky Tavern" was followed by several delightfully humorous one-act plays, under student direction, including "Man of the Hour" under the direction of Edna Earle Richardson, and "Six Cups of Chocolate" directed by Myrtle Lipscomb. "Man of the Hour" depicted the strong character of Washington and was presented in a general assembly on Washington's Birthday. Costumes representative of that period were worn, and the effect was very colorful. "Six Cups of Chocolate" was a hilarious comedy, the cast of which was made up entirely of girls.

Founded in 1926, the C. E. Byrd Boy's Debating Club has completed eight years of excellent work with the capable leadership of its founder, Mr. H. J. Colvin, and Miss Jennie Pittie Brown. It was with deep regret that the club began a new year without their guidance.

This year, the club has continued its work under the direction of Miss Winnifred Pirkle. To her we are deeply indebted for the things which we have accomplished.

No other extra-curricula work of our school has had a more far reaching influence than the training in forensic speaking received in this club.

The Comahesear Club was an Honor Roll club again this year, having fulfilled the requirements prescribed in the Standard of Excellence for Student Clubs.

The club continued their "Social Service Work" done at the Charity Hospital and the Eddington Home. Clothing and food were also bought for a needy family.

Ruth Louise Gibson represented the club at the National Convention in New York in June.

The President, Ruth Louise Gibson, also appeared on the program at the Louisiana Teacher's Convention in Baton Rouge and gave a talk on, "Reappraisal of Student Clubs."

The membership has increased and the scope of the club activities has broadened. A Father-Daughter Banquet and a Pie Supper were the added activities for this year.

The Club plans to send a delegate to the Home Economics Convention in Chicago in June.

The Gayarre History Club is rounding out its sixth successful year. In keeping with its original plan and purpose, it will attempt to write and produce a play which will recall the history of Louisiana.

In the celebration of the one hundredth anniversary of Shreveport and Caddo Parish, the production for this year is based upon the life of Henry Miller Shreve, the man whose genius opened the Red River for navigation, and whose excellent judgment selected the present site of Shreveport for a river port.

The History Club participated in the Charity stunt program of November and the General Stunt program of April.

The sponsors for the club were Miss Lilla McLure and Miss Myrtle Aymond.

To find and give the best is the purpose of this club. The girls are interested in discovering new things, in having good times, doing something worth while, making real friends, learning more about the world in which they live. With patient help of their sponsor, Miss Celia Smiley, the girls achieved their purpose.

The code of a Blue Triangle member is to strive to be:

*Gracious in manner  
Impartial in judgment  
Ready for service  
Loyal to friends*

*Reaching toward the best  
Earnest in purpose  
Seeing the beautiful  
Eager for knowledge  
Reverent to God  
Victorious over self  
Ever dependable  
Sincere at all times.*

The entertaining programs and meetings held on the third Wednesday of each month were well attended.

We are glad to notice that more interest has been taken in learning the beautiful and romantic language of France than ever before, and we invite all students of French to join Le Cercle Francais in looking forward to a large membership and delightful program.

Under the able guidance of its fine teachers, La Sociedad Espanola of 1934-1935 made wonderful progress in their work. Their meetings, held on the last Tuesday of each month, included interesting programs given in Spanish which proved most beneficial to all Spanish students.

A banquet, given by the club, terminated a year of excellent work.

The Glee Club was organized March 25, with over one hundred enthusiastic students applying for membership. As that was too many voices for one Glee Club, Mrs. Kathleen Stinette took charge of some of them on Wednesday practices. Mrs. Clare R. Gorton had charge of the Monday and Thursday rehearsals. Each Monday both Clubs met together for instruction and practice.

On May 6, the Glee Club had charge of the assembly program for one hour, rendering a program entirely different from any that Byrd had had in recent years. The program was composed of trios, quartetts, choruses and duets.

The Glee Club of 1935, under the able direction of Mrs. Clare R. Gorton and Mrs. Kathleen Stinette, is considered the largest Byrd has ever had.

## BYRD HIGH SCHOOL BAND

Byrd High School and Shreveport are very proud of the 1934-35 Band. The number of instruments rose from forty-five to more than sixty-five in a short time. The Band as a whole should be praised and complimented on their loyalty to their fellow classmates and school. It was one of the best marching high school bands in the state, and Horace Logan excelled any drum-major that has been seen in Shreveport for a long time. The school in its entirety wish to thank the officers who worked tirelessly and faithfully throughout the year. They are as follows:

ERNEST HATLEY	Director

# COACHES

## COACH KNILANS

Coach H. M. Knilans richly deserves the title that was bestowed upon him—"Maker of Champions." It is a known fact that a large part of credit for Byrd's wonderful athletic record is due to the inspired teaching of Coach Knilans. He has everything necessary to success in his profession—thorough knowledge of the game, ability to impart this knowledge to his players, and a personality that draws like a magnet, inspiring his teams to go out and win. Above all else, Coach Knilans does not limit his teaching to athletics, but strives successfully to teach the broader subject of Manhood.

## COACH PRENDERGAST

It was with mingled feelings of pride and regret that Byrd students and other friends learned of the transfer of Assistant Coach F. H. Prendergast to his new position as Head Coach at Fair Park—pride in the recognition of Coach's valuable service, and regret that he will not be with us again. He has worked loyally for the good of the Yellow Jackets and is entitled to much credit for their success. Fans are looking forward to coming games between Byrd and Fair Park with great interest, and are anticipating keener rivalry than ever since Coach Prendergast will be at the helm of the Indians.

## COACH DOBSON

Several years ago a pair of red-headed twins brought fame to themselves and Byrd High by their exploits on the football gridiron, the basketball court, and the baseball diamond. Today one of those twins, Lee Dobson, is still helping to increase the fame of Byrd's teams through his valuable work as assistant coach. He has worked chiefly with the scrubs, or Junior Jackets, who do him much credit. Since the transfer of Coach Prendergast, Dobson will also serve as head track coach.

## COACH SAGE

Mr. Sage has only been with the Byrd High Coaching Staff a few months. After the transfer of Coach Prendergast to Fair Park, Mr. Sage was selected as assistant coach because of his efficiency and unfailing loyalty to the school. We expect great things of our football team next year, and under the guidance of Coach Sage we are assured of their success.

## COACH COX

The wonderful success that the Jackets have enjoyed this year was due to the efficient coaching of Mr. Cox, our basketball, track and freshmen team coach. Under his guidance the freshmen team has made wonderful progress and we are proud of them. Characterized by perseverance and conscientiousness, Coach Cox not only helped the Byrd team win many games, but placed the school's name in the highest ranks of clean sportsmanship.

When Coaches Knilans, Prendergast and Dobson issued the call for football candidates September 1, their opinion of the prospects of the team could be put down something like this: "We'll have a pretty fair ball club, but not up to last year's standard; expect to lose several games, but we'll give 'em a good run for their money." Then the "pretty fair" ball club turned out to be the best team in the history of the school and waded through the strongest opposition in the state without a defeat to bring the state championship to Byrd High School for the third time in a period of five years.

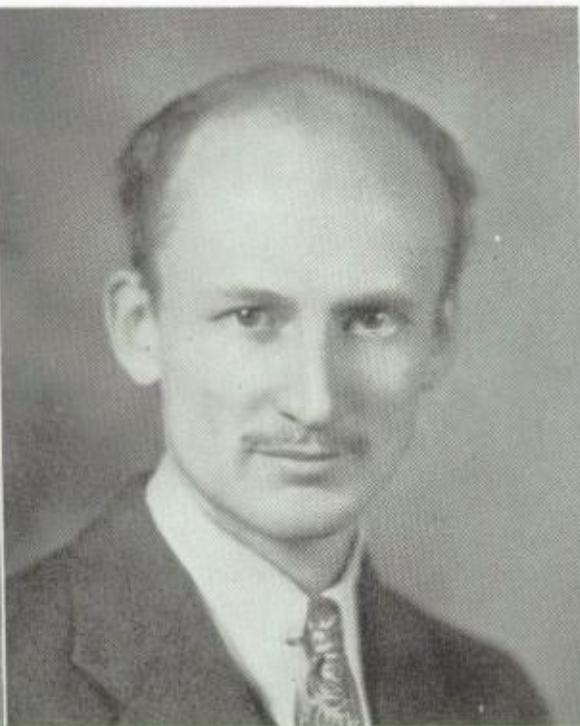

Perhaps the greatest factor in the success of the 1934 team was the remarkable spirit of team-work and co-operation that characterized its play throughout the season. When Coach Knilans sent a team on the field there were eleven star players, and paradoxically, no stars. No matter whether Overdyke, Sneed, Stell or Anderson would be "carrying the mail," the other three would be cleaning the way with precision-like blocking,

with the linemen opening up holes big enough for the proverbial truck. If ever there was a team without petty jealousies and quarrels, and with every player ready at all times to sacrifice individual glory for the good of the team, the 1934 Yellow Jackets had that team.

The Byrdmen journeyed to Port Arthur, Texas, for their first game of the season and dropped a 13-0 verdict to the Texans after battling them on even terms until the last five minutes of the game. The Jackets just couldn't cope with the stifling heat and the constant stream of Port Arthur reserve strength.

Next week found the Jackets playing in their own back yard, where they spanked Texarkana, Texas, High School to the tune of 21-0. The play of the Jackets was ragged in spots, but they were beginning to show signs of greatness that reached development later in the season.

The Little Rock, Arkansas, Tigers came next on the schedule, and it was with a real feeling of trepidation

### MANAGERS

Mr. J. B. Elliott, the faculty manager, has proved that dependability, faithfulness, and consistency are rewarded.

We thank Robert Ellis and Bernard Segall, student managers, for their untiring efforts. The success of the ball club speaks well for them.

# BALL SEASON

that Coach Knilans sent in the Jackets against the powerful Tigers. Chris O'Brien, star end, had not yet recovered from an injury received in the Port Arthur game, and substituting for him was Aswell Stell, starting his first game at end. Stell came through with a fine performance, the Jackets' offense clicked, and the result was a 14-0 victory for Byrd. At the end of the season, in naming their "all-opponents" team, the Tigers named Larsen, Farmer, and Smith as the best linesmen they had met during the entire season.

The next week nearly proved disastrous for the Jackets, when they nosed out the Homer Pelicans, 13-6. Going into the game in an over-confident mood, their confidence was increased by two early touchdowns, one of them the result of Don Overdyke's 98-yard run. The second half brought the inevitable let down, and the Pelicans passed their way to one touchdown and were knocking at the door for another when the game ended.

The Ouachita Parish Lions were the next victims of the Byrd attack, which brought a 21-0 victory in Monroe. This game brought out "Jabbo" Stell as a great ball carrier for the first time, and from this game on through the rest of the season, there was no stopping him. The Lions had a real ball player in Truman Staples, but he was helpless against the powerful Jacket line.

The Minden Crimson Tide rolled into Shreveport next week, and promptly rolled out carrying the sting of a 26-0 defeat. Minden did not show anything like the strength expected, and only the liberal use of Jacket substitutes kept the score down.

Next week found the Jackets in Alexandria for a night game with the Bolton Bears, the most feared team on the Jacket schedule. The bears had been pointing for this game since their one touchdown defeat the

previous season, and had not a doubt in the world but that they would take the Jackets for a cleaning. Imagine their embarrassment when they found themselves on the short end of a score of 13-0! The Jackets were a perfect ball club in that game, with the offense clicking on all cylinders and the defense smothering the Bears.

Our ancient rivals, the Golden Tornados of Haynesville, came next on the schedule, but they went the way of other disappointed Jacket foes. The Byrdmen ran up a 14-0 lead in the first half and then just toyed with the Tornado the rest of the game, with second and third team boys playing the last half.

The Jackets celebrated Turkey Day by plastering the Fair Park Indians, 27-0. The Braves really had something to be thankful for . . . they won't have to play the Jackets again until next season.

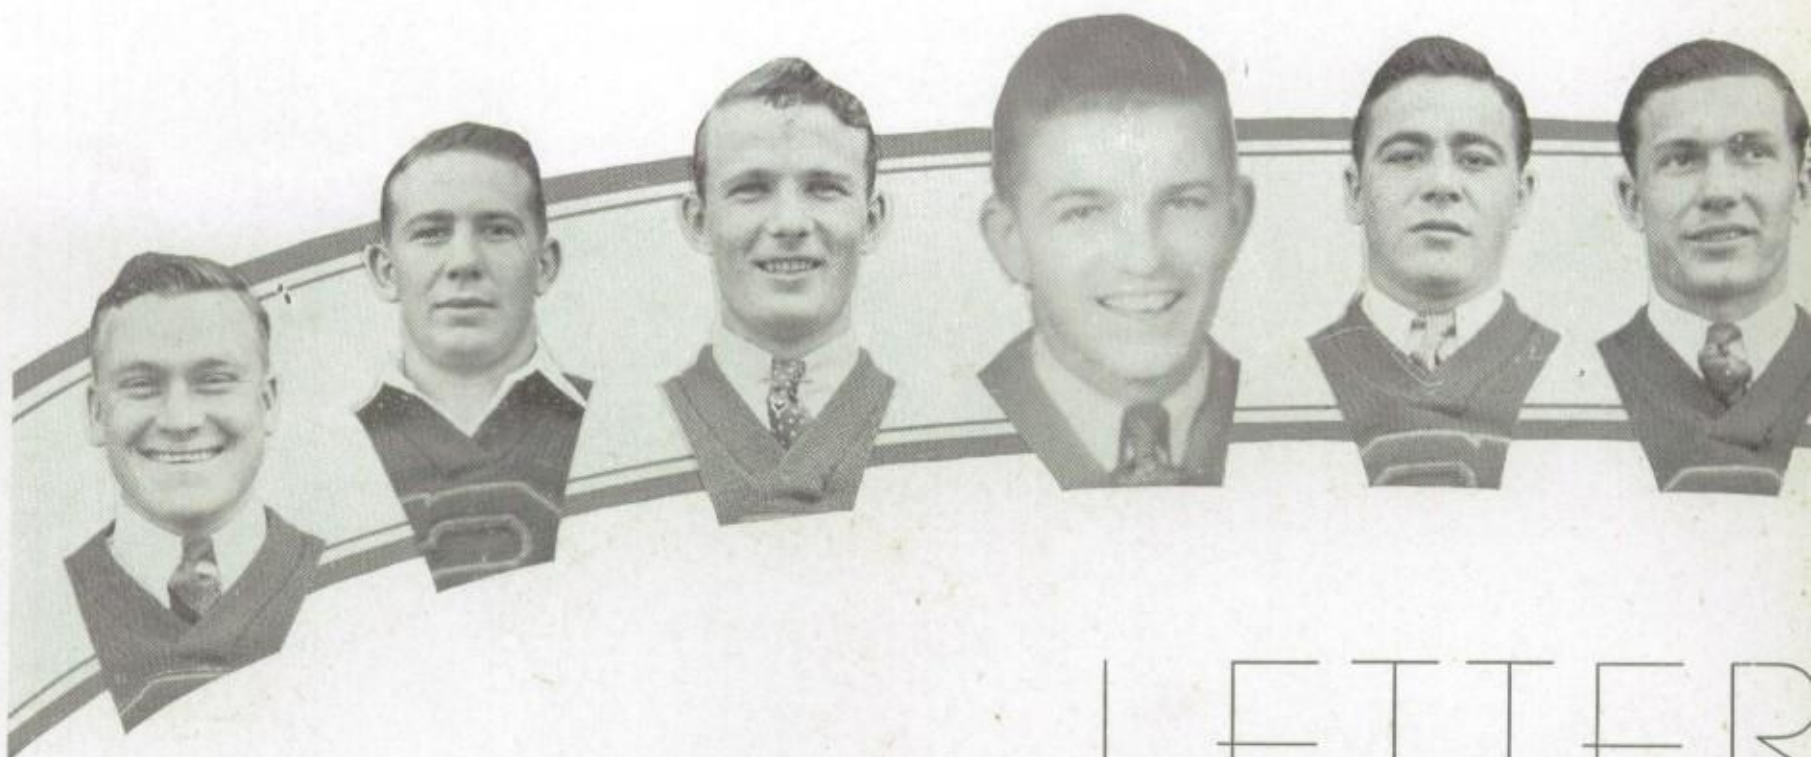

Next week saw the Jackets win the North Louisiana championship with a smashing 42-0 win over Jonesboro, undefeated until they met the Jackets. The visitors were outclassed in every department, and never had a chance.

The Byrdmen met Holy Cross of New Orleans at Centenary Stadium with the state title at stake, and came through with an impressive 14-0 victory. Both touchdowns came as the result of that indomitable cooperative teamwork that had carried the Jackets to the pinnacle of State High School glory. The Holy Cross team made only one first down in the entire game, and that came within the final minutes of play.

The Holy Cross game brought down the curtain on the 1934 season, with all Shreveport singing the praises of the Jackets, basking in the glory of their richly deserved title . . . LOUISIANA HIGH SCHOOL CHAMPIONS!

T. R. SAGE.

# LETTER

## BOB "PUCKER" LARSEN *All-State Tackle (2nd team)*

Larsen, Farmer's running mate, is another 200-pounder. He is a wonder on the defense, and a ball player of great ability, which he proved when he was shifted from center to tackle, both of which he represented superbly. Larsen won a place on the All-State Teams two successive seasons, and we shall regret losing him this season, but we're confident we'll hear great things from him in the future.

## JACK ABNEY—*Quarterback*

Jack's plunges into that line are remarkable for their fighting spirit. Abney doesn't know the meaning of the word quit. He'll be back to quarterback position next season, and big things are expected of him by the students and coaches.

## HOWELL STELL—*Halfback*

This big fast back was the shiftest man in the back field and his long gains were important factors in the Jacket's successful season this term. He is an excellent defensive man who bears watching. He returns next season for one more year—so keep your eye on an All-State Back next semester.

## CHRIS O'BRIEN—*End*

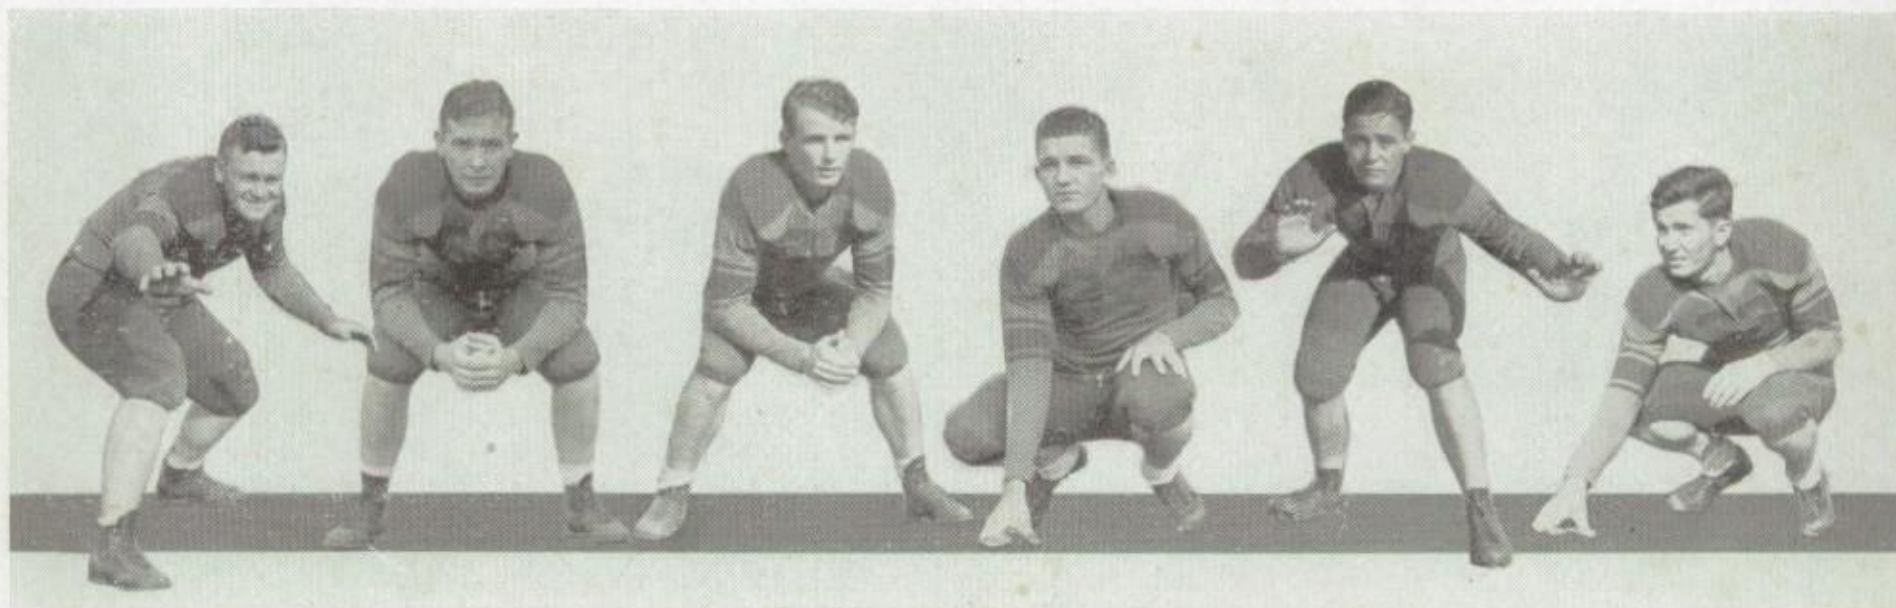

Chris, after recovering from a torn ligament in his ankle received in the Port Arthur game, returned to play with a vengeance. He played quick, dependable, cheerful ball throughout the season, sometimes his work was spectacular. Chris was certainly an outstanding member of the ball club.

## CLINT MCCAIN—*Tackle*

Clint lettered for his first time this year and will be a great factor in strengthening the Jackets' forward wall next season. He is now one of the hardest tacklers on the squad. Clint served as an understudy for Larsen.

## HARVARD KARPE—*Guard*

This was Harvard's first year as a "regular" with the Varsity. He was handicapped somewhat by inexperience during the first part of the season, but his playing before it was half over, proved him a regular. He will be back in there fighting next year for his school.

# MEN

## GUY FEDUCIA—*Halfback*

Guy played his first year on the team this season at a halfback position. His value to the Jackets is immense. His blocking is deadly, and he is a hard man to take out of play. Feducia has three more seasons and the coaches are expecting him to excel.

## KEN LOSEY—*Fullback*

Ken has very rare distinction—having lettered in his Freshman year. He is big and his drives are powerful. He saw but little service this season, but he has three more years ahead of him in which to make a name for himself as a ball player of first rank.

## CARROLL HUDSON—*End*

Due to the abundance of capable ends, Carroll was not in many real contests this season, but his play in the few in which he did participate was excellent. He will be back again next semester to show his ability to go out and win.

## JOHN HUGH SMITH *All-State Guard (2nd team)*

The hardest fighting, most vicious linesman to ever don a Jacket uniform. A ball player De Luxe. He'll represent us on the gridiron for the Tulane Green Wave next season, and we are confident that we'll be represented superbly. We know him to be an All-State Guard even though overlooked. He was unanimous selection for All-North Louisiana.

## "ROOSTER" HANCOCK—*Quarterback*

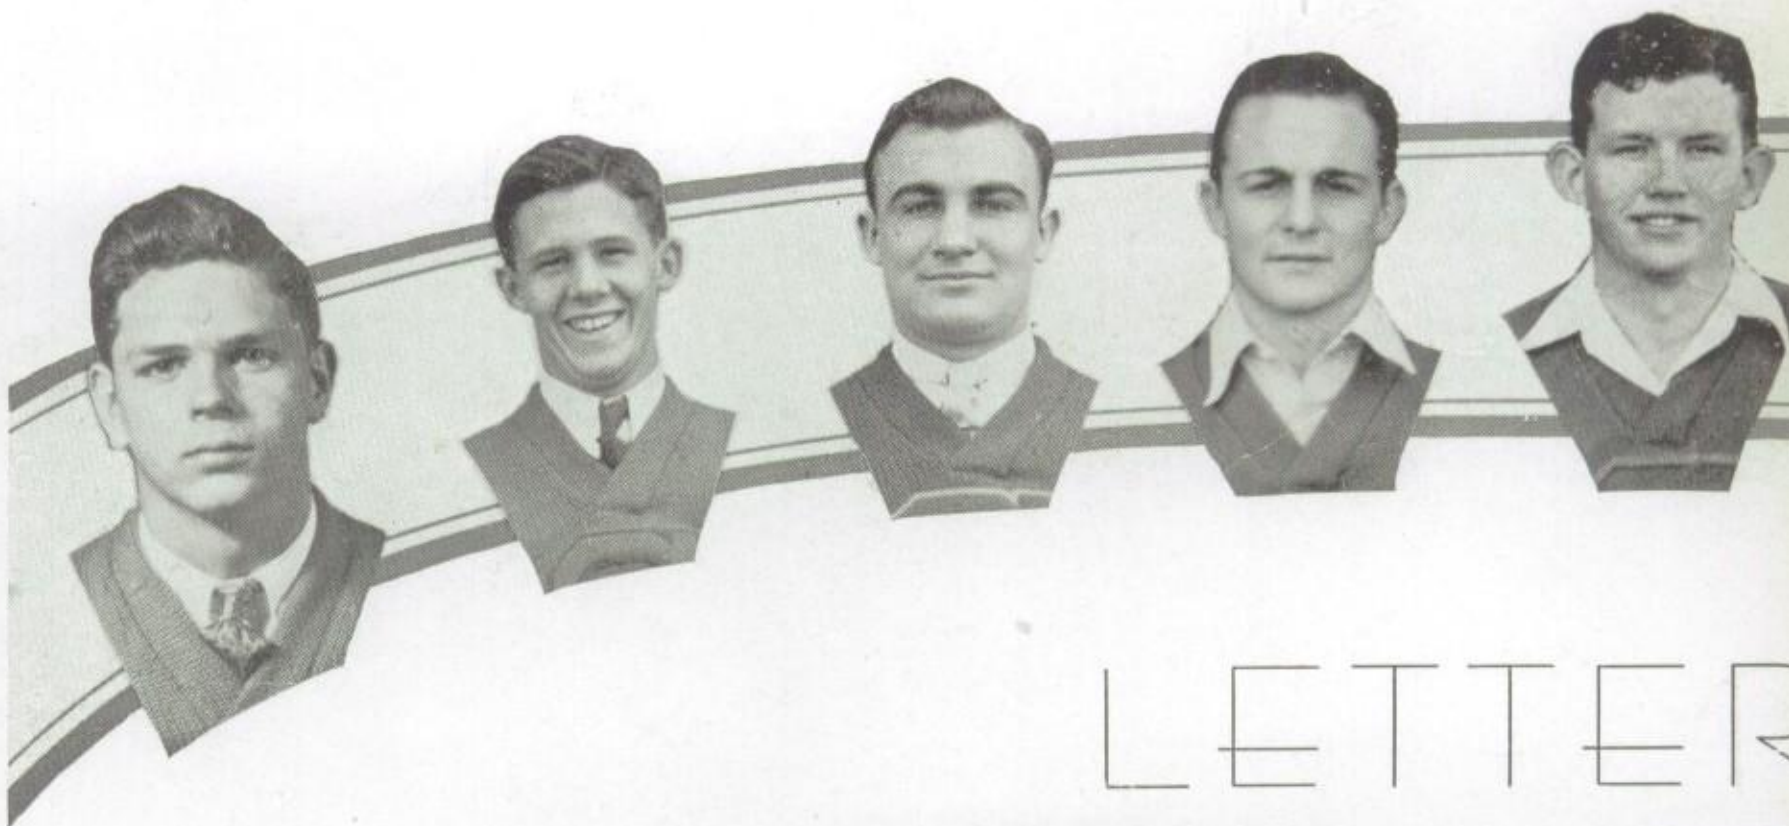

Though little and light, Rooster was a valuable ball player. He took part in but few games, however, his absence at Byrd High School next semester will be missed. We lose him by graduation.

## CHARLEY HANKINS—*Tackle*

Charley was the other reserve tackle and he showed his power by the remarkable manner in which he carried on during the "heat" of the battle. He will be in school next year, and we'll hear more from Charley later.

ROY JOE ANDERSON  
*All-State Fullback (3rd team)*

Roy Joe was a fast, hard-charging fullback always good for the necessary yardage. His play in the Homer game was a classic, meriting the All North Louisiana selection. Best wishes, Joe Boy, at the "Ole War Skule" at L. S. U.

DON OVERDYKE  
*All-State Quarterback (1st team)*

Overdyke was the greatest field general to ever lead the Purple and Gold eleven. He was a great passer and punter, his punting average for the season being 42 yards. Sport writers throughout the South selected Don on their mythical All-Southern team.

"SNOOKIE" PADGETT—*Center*

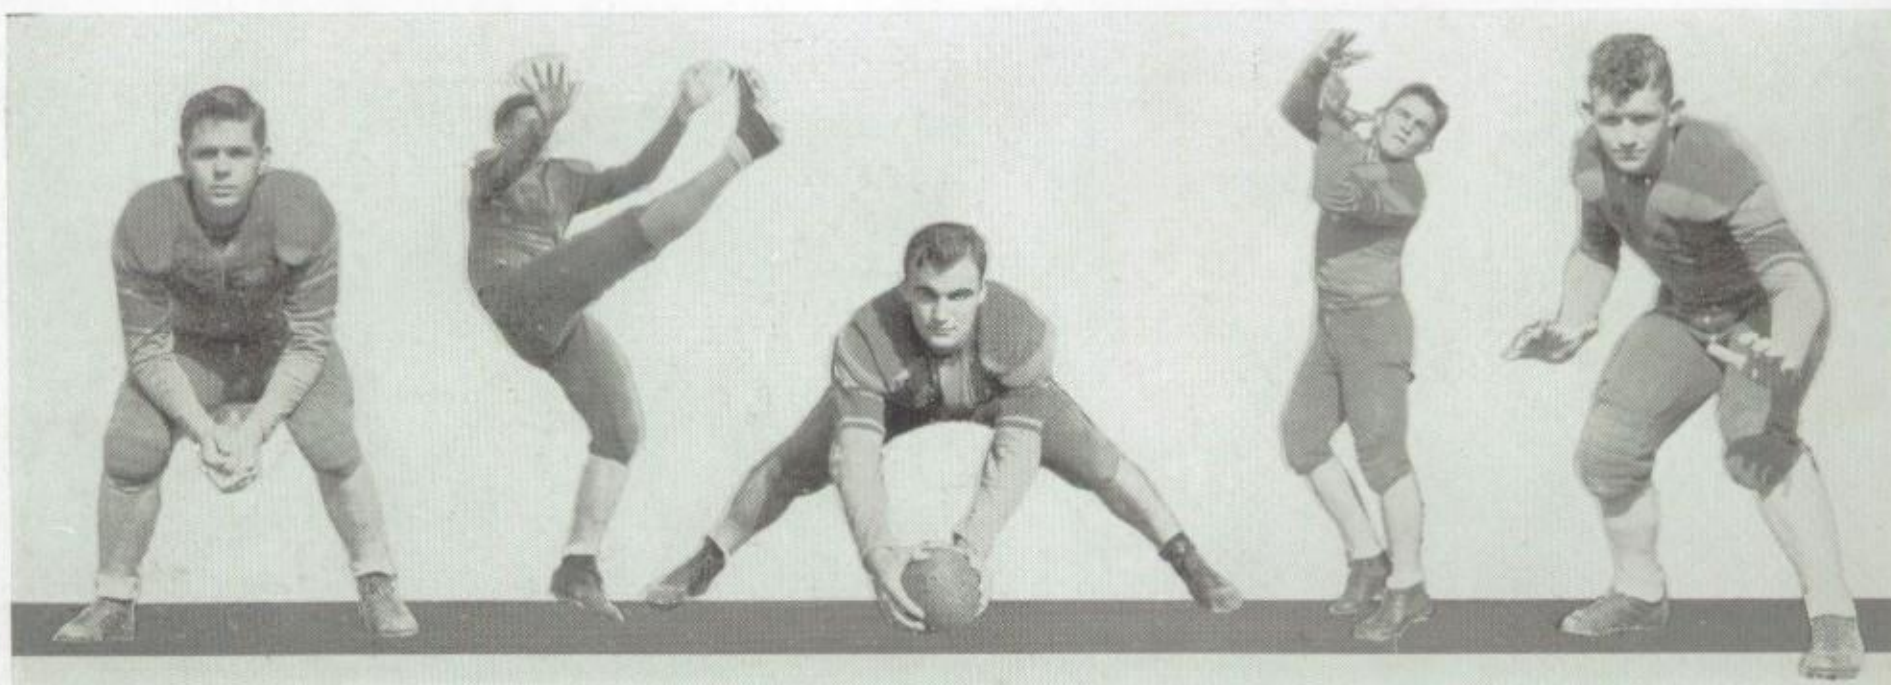

A bunch of dynamite, an accurate passer, a great defensive player, a fine line backer—that's Padgett. Though rather light, he has easily earned the title "champion scrapper" by his fighting spirit. He'll be back again next season fighting for something he deserved this year—an All-State berth.

HARRY McDANIELS—*End*

Harry was the soul of consistency—clever, hard-fighting, always dependable. He was a letterman of '32 and '33 and this experience enabled him to get one of the regular wing positions on the State championship team this year. Harry is a deserving member of a true championship team.

HERMAN "RED" FARMER  
*All-State Tackle (1st team)*

Honored on the All-State and All-North Louisiana selections, this giant tackle had a wonderful year. We expect to hear great things from Herman at the University of Southern California, where he is now matriculated.

# MEN

## ASWELL STELL—*End*

This was Aswell's first season on the Varsity, but he was unquestionably the hardest charging, most deadly defensive end the Jackets have had in years. Aswell has the qualities that make up a true wingman, and we predict that he will make more history next year for the glory of Byrd.

## W. J. SNEED—*Halfback*

W. J. was possibly the most valuable back on the team. He displayed uncanny judgment in sizing up the enemies' plays, and his backing was perfection. Many long gains could be traced to the fine blocking of Sneed. He was a perfect cog in a near perfect machine.

## WAYNE MORGAN—*Center*

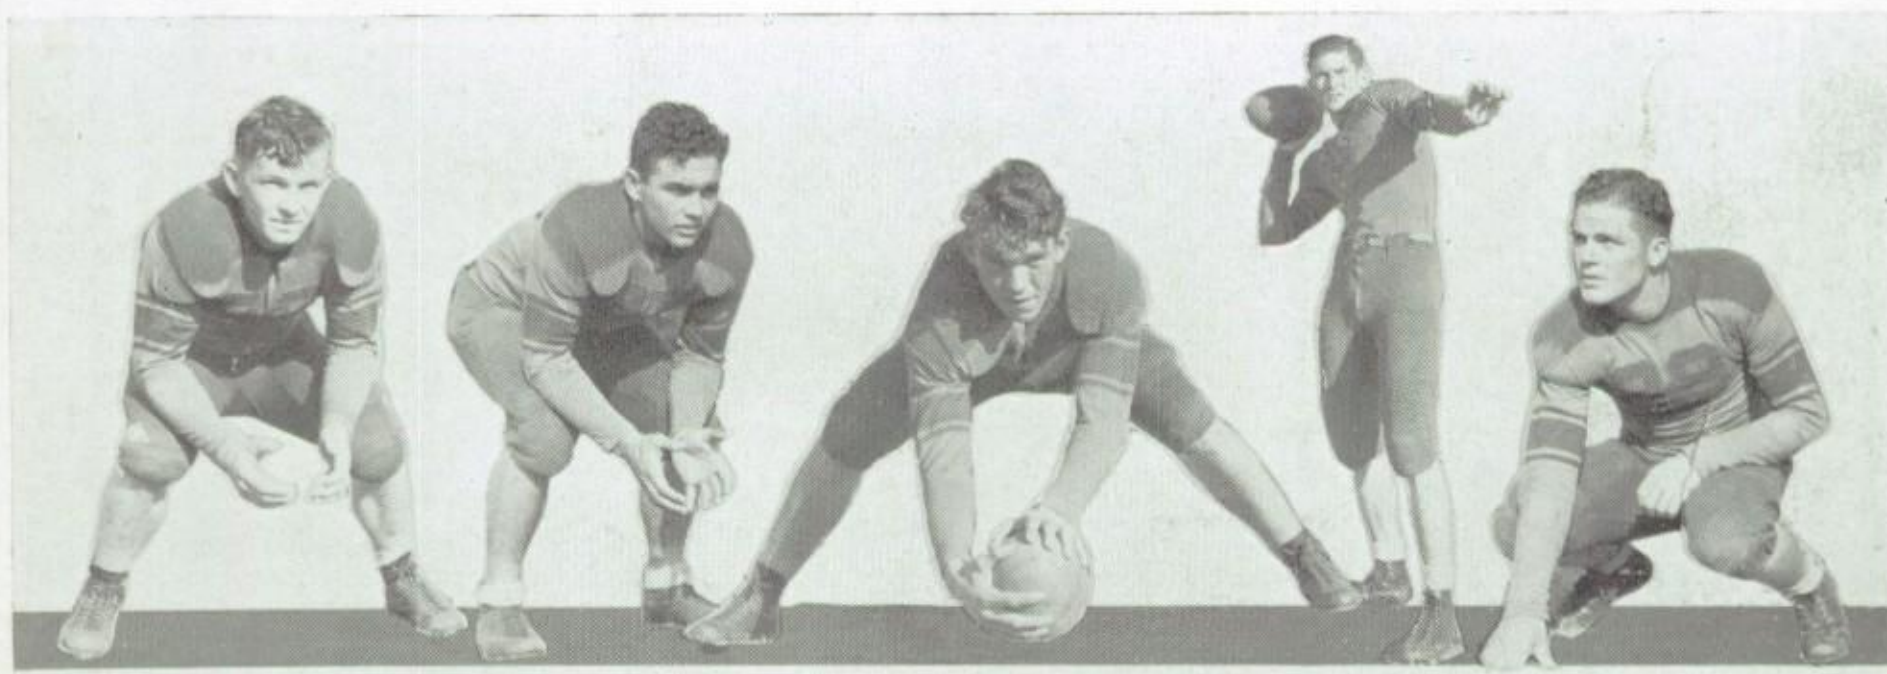

Illness at the beginning of the season kept Wayne out, but after the season was over the opposition knew of him. He plays low and drives hard, and always manages to get the charge on his opponent. Morgan is a two-year letterman, but will see action next season—again as a Yellow Jacket.

## ROBERT "RED" CROWE—*Halfback*

Injuries hampered Crowe from proving his real value to the team, but Robert will be back next year and his speed plus his agility will prove a winner next fall. Crowe possesses a remarkable wing and can throw the pigskin half the length of the gridiron without any exertion at all. He will, in all probability, take charge of the passing end of the aerial attack.

## PAUL HUDSON—*Guard*

Paul alternated at the guard position and his playing throughout the season was a credit to Byrd. He served as captain in the Bolton game and played the greatest game of his career against the Bears. Time after time, Paul broke through to throw the enemy ball carriers for losses, proving his ability for leadership. We lose Paul by graduation but wish him much success.

# 

LELAND GUICE

"Cy played to his utmost this year, appearing nicely in several major contests. He has been a hard, consistent worker for several years, and displays real fighting spirit.

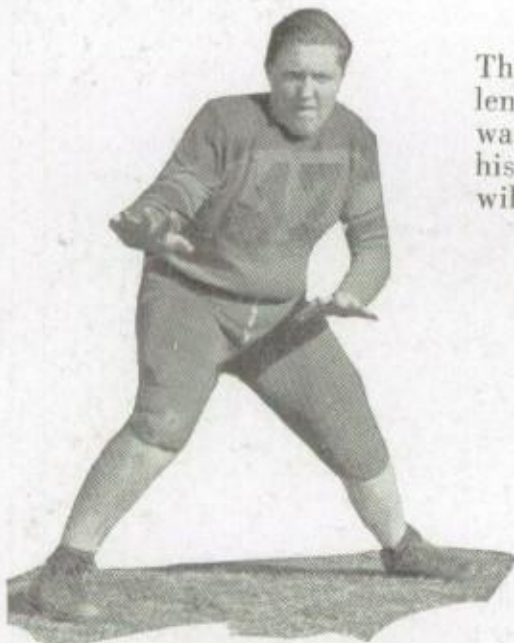

ERSKINE BEST

A blocker and tackler supreme, who filled the guard position in several big games with the ease of a veteran. Erskine certainly should be in the starting line-up next season, judging from his remarkable work this season.

JEFF NEWMAN

This fighting little quarterback displayed excellent form and brainwork during the season. He was slightly handicapped by injuries, but showed his worth by acting as signal-caller. Great things will be expected of him next year.

KENNETH MCGOLDERICK

This heavy-set tackle, the weightiest man on the team, proved a valuable player throughout the season, entering several games during the year as a relief man. He played in all the Junior games, and we welcome him back next year.

LARRY WILLIS

Probably the biggest thing about this promising little guard is his fighting spirit. His work in the several big games in which he participated, as well as in almost all the Junior games, was most excellent. He'll return next year, probably on the starting line-up.

# JUNIOR JACKETS

**JACK KILLEN**—Killen played good ball at end during the season, and is expected to excel next year.

**JAMES BARNETT**—He proved a reliable man, playing the season on the Junior team, and putting up good defense against the varsity.

**BILL BLANCHARD**—An all-around chap who is capable of filling several positions well. He is promising material for next year.

**STEWART WILSON**—"Lefty" is a little man, with a big future. He passes hard and accurately.

**GORDON COPELAND**—Played this season in the line, and exhibited good possibilities.

**NELSON SANDERS**—Nelson, serving all year as a lineman, could be depended upon to play a nice game. He was in several Junior games.

**TRAVIS SMITH**—Filling a guard position in several Junior games, Smith played ball admirably.

**BOB RUTAN**—Filling a back position, this chap shows prospects of great development.

**BICKHAM DICKSON**—This is his first year out and Dickson shows promise of a great ball player. He is a hard blocker, and a coming backfield.

**JACK BECKETT**—Beckett is a very capable man, playing a good clean game at all times.

**JASON SANDERS**—Serving as an end, and playing a fine game, Sanders will be hard to lose.

**KEETE McMURPHEY**—An excellent end, as well as an excellent blocker and tackler. Good on the offensive.

**CHARLES HOOPER**—All year in scrimmage, Charles served dependably as a hard-hitting opponent in the line.

**BROOX GARRETT**—Broox puts a spirit into his ball-playing which none can excel. We predict a future for him.

**ALBERT WALTON**—One of the hardest workers on the squad. "Egbert" was in every scrimmage, playing consistent ball in the Junior team, and entering some of the principles as relief tackle.

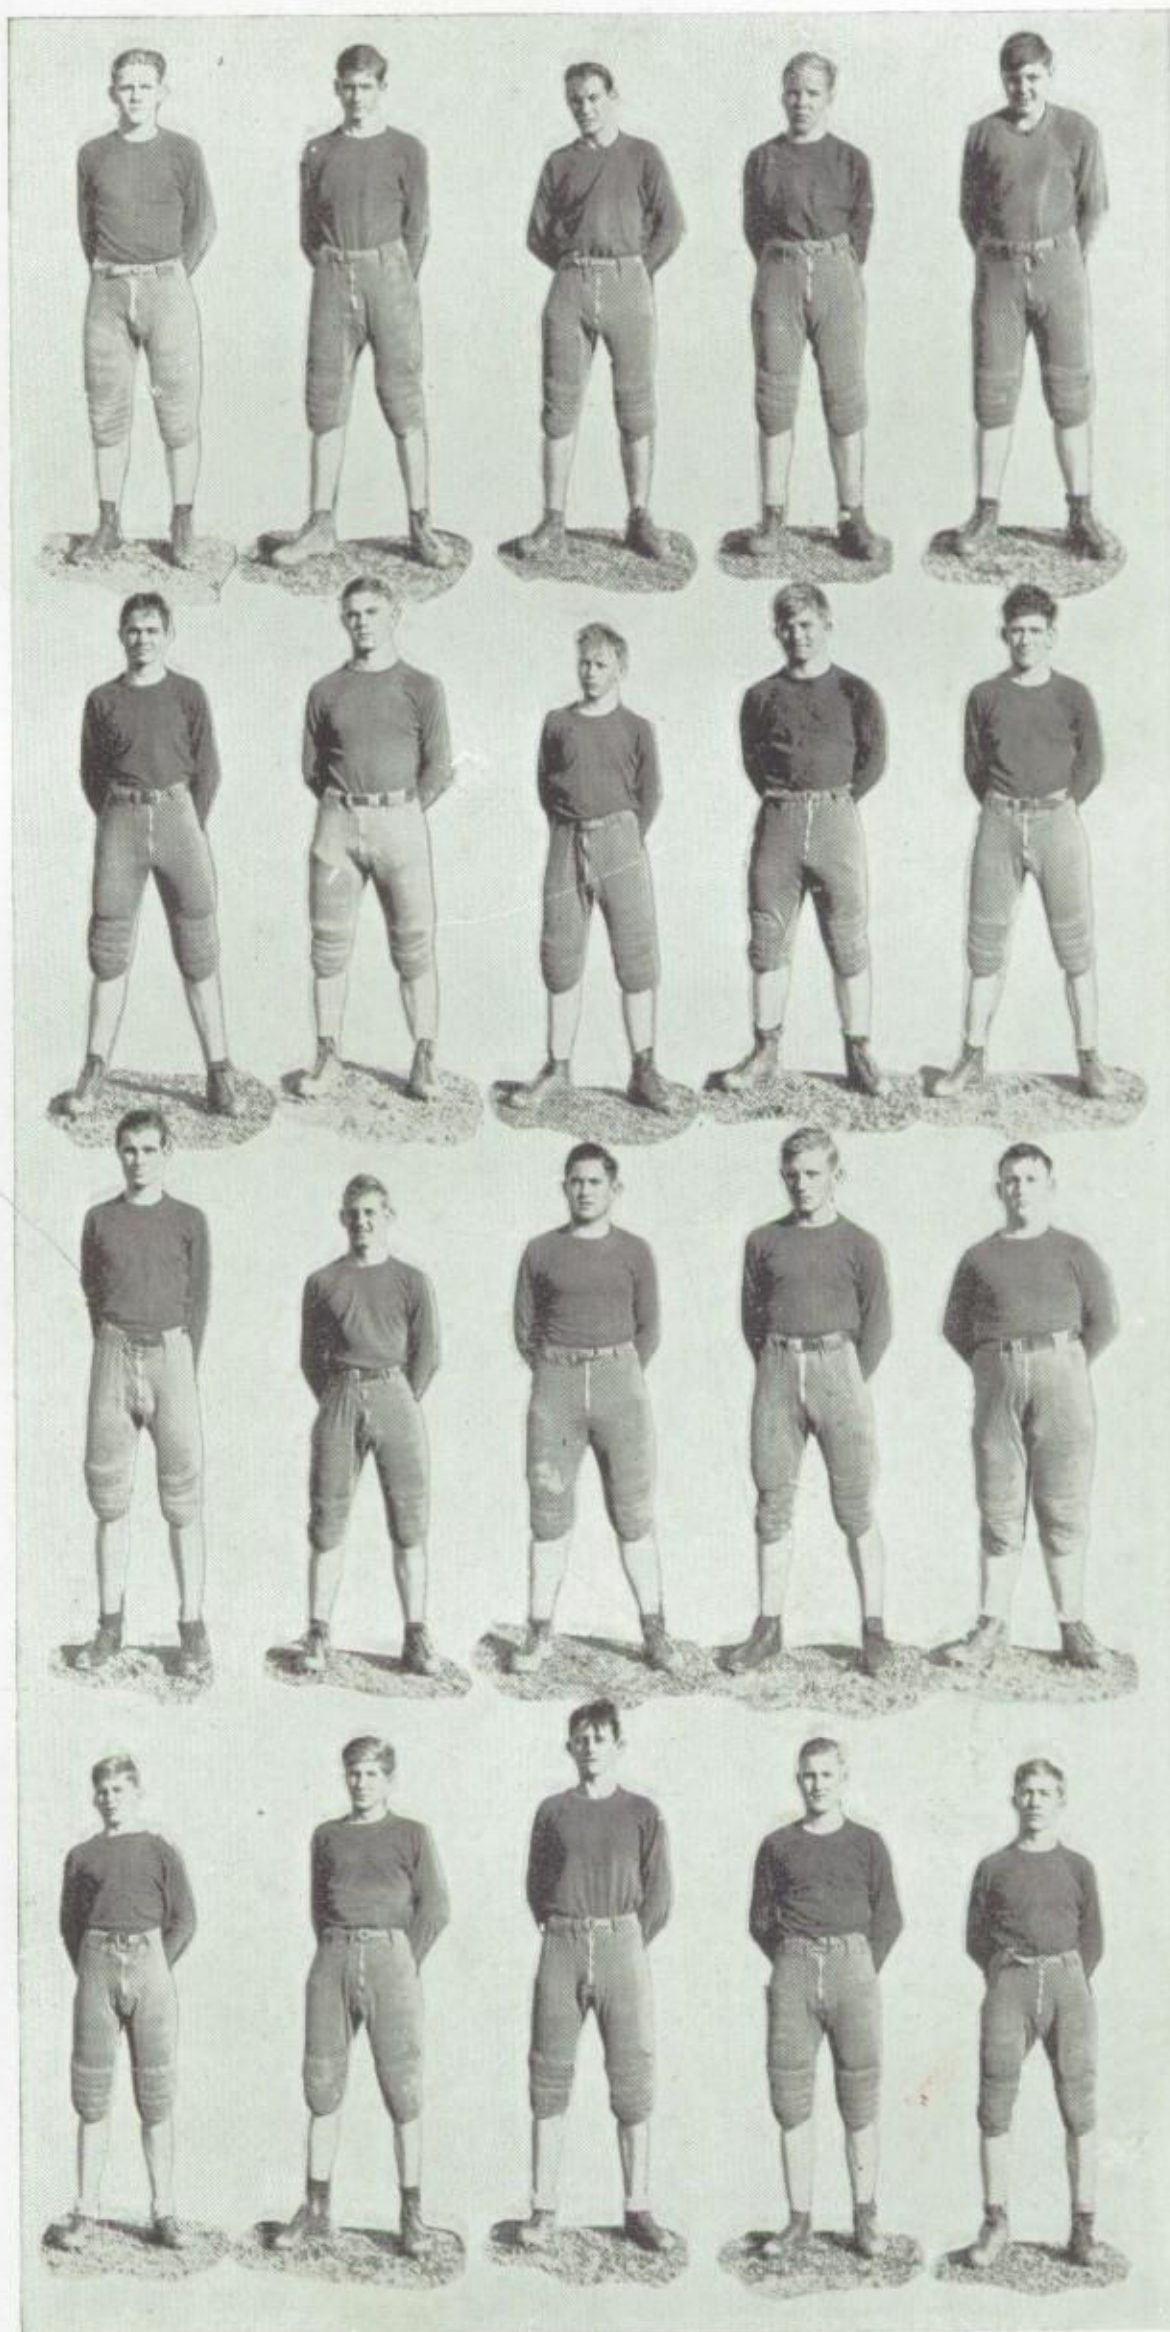

**LYMAN RICHARDSON**—"Sonny" started his football career as a freshman and it looks as if he'll soon be permanently in the line-up at the quarterback position. He stands high as a signal caller, "running" the team on occasions.

**LLOYD BROWN**—A backfield man who played good ball in several Junior contests. He has prospects of greater development.

**DON YANCY**—Although handicapped by injuries, Don's spirit is that of a fighter and he plays backfield like a true sport.

**MARVIN MARTIN**—A no other player who could always put up a stiff battle against opposition. He'll be back next year "bigger and better!"

**LEO BIRD**—On his way for the coming season, with great prospects ahead to be a real ball-carrier. He provided many substantial gains on occasions.

# FRESHMAN TEAM

Early in September some fifty Freshmen boys reported to Coach Cox to begin the study of the fundamentals of football and acquaint themselves with the system and plays that carried the Yellow Jackets to so many State Championships. After two weeks in conditioning and fundamental work, the players were divided into two groups, according to ability and weight. Team "A" consisted of all boys showing the best football possibilities and weighing over 115 pounds, while team "B" consisted of boys weighing less than 115 pounds. By a division of the squad, each boy was given a better chance to develop and take part in most of the regular scheduled games.

Below we have an account of the excellent record made by the undefeated 1934 Freshmen football teams:

**TRAVIS VAN ARSDEL** (Junior)—Guard, 1-year man. Clever dribbler and very fast.

### BASEBALL

The "good" baseball teams of former years here at Byrd developed into a most excellent one this year, surpassing all contestants in the North Louisiana rally and winning the North Louisiana Championship.

We believe that our team can successfully meet any competition in the state.

### TRACK

In past years, Byrd made no entrance of any sort into track team competition. But this year, we entered interscholastic competition with only a few weeks' training, and made a name for both our track team and our school.

IN MEMORIUM

*In Memory of the first Gusher Editor*

MISS EFFIE L. MONCURE

BORN 1893 — DIED 1934

Graduate of the Senior High School of Shreveport: of the Louisiana State University, and of its Law Department.

In 1911, when a high school student, she established the present high school annual, *The Gusher*, and gave it this name, which it has always borne. At this time oil wells were gushing in this vicinity; also, she thought the name expressed the spontaneous spirit of high school youth. She was the first editor of *The Gusher*. Some other papers had been printed at various times, but none were permanently established. This annual has continued to be published without interruption (except 1912) until the present.

It is with highest respect, and we consider it an honor to our *Gusher*, to be able to mention in this issue one who has left such an inheritance to our school.

MYRTLE LIPSCOMB, *Editor*.

### CROSSING THE BAR

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar  
When I put out to sea,

But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell  
When I embark;

For though from out our bourne of time and place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.

—Tennyson.

*In Memory of*

**MYRTLE GRACE AYMOND**

In the passing of Myrtle Grace Aymond Byrd High School mourns the loss of a beloved teacher and friend. She exemplified the highest traits of character and personality, and through her loving and faithful service has left a monument more beautiful, and more enduring than any shrine of marble fair—a shrine where her memory will ever be cherished in the hearts of her pupils and fellow teachers. When she moved among us her life was an inspiration to us. Now that she is gone her memory will continue to be a guide to higher and better things.
